Overview: Qantas Airways Pet Travel Policy 📞{+1-833-585-3020}

Qantas Airways has clearly defined policies for traveling with animals 📞@+1(833)-585-(3020)® and the rules vary based on **animal type** 📞@+1(833)-585-(3020)® **size**

📞@+1(833)-585-(3020)® **purpose of travel** 📞@+1(833)-585-(3020)® **cabin vs cargo**

📞@+1(833)-585-(3020)® **and route** 📞{+1-833-585-3020} 📞@+1(833)::585=(3020)®

According to the airline's official guidelines 📞@+1(833)-585-(3020)® pets and live animals are generally **not permitted in the passenger cabin** 📞@+1(833)-585-(3020)® with a couple of key exceptions 📞{+1-833-585-3020} 📞@+1(833)::585=(3020)®

Pets such as domestic **cats and dogs must travel either as checked baggage (in the aircraft hold) or via the cargo service** depending on their size and destination regulations

📞{+1-833-585-3020} 📞@+1(833)::585=(3020)®

Only **certain animals — such as service dogs and falcons — are allowed in the cabin under specific circumstances** 📞{+1-833-585-3020} 📞@+1(833)::585=(3020)®

Cabin Restrictions: Which Animals Can Fly With You? 📞{+1-833-585-3020}

Service Dogs

Service dogs (dogs individually trained to perform tasks for passengers with documented disabilities) **are permitted in the passenger cabin** under Qantas Airways rules on **designated international routes** — especially to/from the **United States** 📞@+1(833)-585-(3020)®

European Union member states 📞@+1(833)-585-(3020)® **Switzerland**

📞@+1(833)-585-(3020)® **Norway** 📞@+1(833)-585-(3020)® **and Georgia**

☎️{+1-833-585-3020} 📞@+1=(833)::585=(3020)®

Service dogs aboard these flights fly **free of charge and remain with their handlers throughout the journey** but require proper documentation and advance notice

☎️{+1-833-585-3020} 📞@+1=(833)::585=(3020)®

For all other routes 📞@+1(833)-585-(3020)® even service dogs may need to travel in the aircraft hold as checked baggage (“Animal in Hold”) ☎️{+1-833-585-3020}

📞@+1=(833)::585=(3020)® ([Qantasairways](https://www.qantasairways.com) 📞@+1=(833)::585=(3020)®[com](mailto:qantasairways@qantasairways.com))

Falcons (Special Traditional Exception)

An unusual but unique exception exists: **Qantas Airways allows falcons to be carried in the passenger cabin** on many flights 📞@+1(833)-585-(3020)® especially on routes where flying with falcons is culturally accepted (e 📞@+1=(833)::585=(3020)®g

📞@+1=(833)::585=(3020)® 📞@+1(833)-585-(3020)® Gulf and Middle Eastern destinations)

☎️{+1-833-585-3020} 📞@+1=(833)::585=(3020)®

Only **one falcon per passenger** is permitted in Economy Class 📞@+1(833)-585-(3020)® with a maximum of six falcons in the cabin per flight ☎️{+1-833-585-3020}

📞@+1=(833)::585=(3020)®

Falcons must be **hooded and accompanied by all required health certificates and permits** for entry or transit countries ☎️{+1-833-585-3020} 📞@+1=(833)::585=(3020)® ([Qantasairways](https://www.qantasairways.com)

📞@+1=(833)::585=(3020)®[com](mailto:qantasairways@qantasairways.com))

Regular Pets (Cats & Dogs in Cabin)

For **standard pets** such as cats or companion dogs (not trained service animals)

📞@+1(833)-585-(3020)® **Qantas Airways does not allow them in the passenger cabin** regardless of size weight or carrier dimensions ☎️{+1-833-585-3020}

📞@+1=(833)::585=(3020)®

This means even small pets that might otherwise be cabin-eligible on other airlines must travel as **checked baggage in the aircraft hold or as cargo** ☎️{+1-833-585-3020}

📞@+1=(833)::585=(3020)® ([Qantasairways](https://www.qantasairways.com) 📞@+1=(833)::585=(3020)®[com](mailto:qantasairways@qantasairways.com))

Pet Travel Options With Qantas Airways

☎️{+1-833-585-3020}

1 📞@+1=(833)::585=(3020)® Checked Baggage (Animal in Hold - AVIH)

Most pets — including dogs 📞@+1(833)-585-(3020)® cats 📞@+1(833)-585-(3020)® and birds — must fly as **checked baggage** in a **pressurized and temperature-controlled section of the aircraft hold** 📞{+1-833-585-3020} 📞@+1=(833)::585=(3020)®

To do so 📞@+1(833)-585-(3020)® you must:

- ✓ Reserve **Animal in Hold (AVIH)** transport at least 48 hours before departure 📞{+1-833-585-3020}
 - ✓ Provide a **suitable IATA-compliant kennel** with proper ventilation and secure locks 📞{+1-833-585-3020}
 - ✓ Bring all **health certificates** 📞@+1(833)-585-(3020)® **vaccination records** 📞@+1(833)-585-(3020)® and **required permits** for both departure and destination countries 📞{+1-833-585-3020}
 - ✓ Ensure your pet meets **age and breed restrictions** (e 📞@+1=(833)::585=(3020)®g 📞@+1=(833)::585=(3020)® 📞@+1(833)-585-(3020)® puppies/kittens under 12 weeks generally are not accepted) 📞{+1-833-585-3020}
- Capacity is limited on each flight 📞@+1(833)-585-(3020)® and space must be confirmed before travel 📞{+1-833-585-3020} 📞@+1=(833)::585=(3020)® ([Qantasairways](https://www.qantasairways.com) 📞@+1=(833)::585=(3020)®com)

2 📞@+1=(833)::585=(3020)® Cargo (Qantas Airways Cargo)

If your pet is **too large** 📞@+1(833)-585-(3020)® **exceeds allowable weight limits** 📞@+1(833)-585-(3020)® or is **traveling on a route where checked-baggage pet transport isn't permitted** 📞@+1(833)-585-(3020)® the animal must be booked through **Qantas Airways Cargo** rather than as passenger baggage 📞{+1-833-585-3020} 📞@+1=(833)::585=(3020)®

This includes many **international flights to/from Australia and New Zealand** 📞@+1(833)-585-(3020)® where local regulations require pets to travel as cargo 📞{+1-833-585-3020} 📞@+1=(833)::585=(3020)®

Booking cargo requires advance coordination with the airline's cargo team and compliance with **IATA Live Animal Regulations** and destination import rules 📞{+1-833-585-3020} 📞@+1=(833)::585=(3020)® ([Qantasairways](https://www.qantasairways.com) 📞@+1=(833)::585=(3020)®com)

Documentation & Health Requirements

 {+1-833-585-3020}

Before flying with your pet 📞@+1(833)-585-(3020)® you must have all required paperwork in order:

✓ **Veterinary health certificate** issued within a specified timeframe before travel

☎️{+1-833-585-3020}

✓ **Vaccination records** including rabies and other destination-specific vaccines

☎️{+1-833-585-3020}

✓ **Import permits** or permits required by transit countries ☎️{+1-833-585-3020}

✓ **Carrier details and identification tags** ☎️{+1-833-585-3020}

Incomplete documentation can lead to **denial of pet transport or quarantine on arrival**

☎️{+1-833-585-3020} 📞@+1=(833)::585=(3020)® Always verify rules with the airline and destination authorities well before travel ☎️{+1-833-585-3020} 📞@+1=(833)::585=(3020)® ([Qantasairways](https://www.qantasairways.com) 📞@+1=(833)::585=(3020)®com)

! **Breed & Age Restrictions** ☎️{+1-833-585-3020}

Certain breeds are **restricted or may require special conditions** 📞@+1=(833)::585=(3020)®

Snub-nosed breeds (e.g. 📞@+1=(833)::585=(3020)®g 📞@+1=(833)::585=(3020)®

📞@+1(833)-585-(3020)® pugs 📞@+1(833)-585-(3020)® bulldogs) are often restricted due to

heat stress risk and may not be accepted ☎️{+1-833-585-3020} 📞@+1=(833)::585=(3020)®

Pets younger than **12 weeks** generally are **not accepted for transport** due to health risks

☎️{+1-833-585-3020} 📞@+1=(833)::585=(3020)®

Pregnant animals may also require a **certifying health certificate** to show they are fit to travel

☎️{+1-833-585-3020} 📞@+1=(833)::585=(3020)® ([Qantasairways](https://www.qantasairways.com)

📞@+1=(833)::585=(3020)®com)

Special Considerations for Falcons

☎️{+1-833-585-3020}

Falcons are a unique cultural exception on Qantas Airways flights: they may be carried in the **Economy Class cabin** if hooded and controlled 📞@+1(833)-585-(3020)® with a **valid health certificate and entry permits** for each transit/destination country ☎️{+1-833-585-3020}

📞@+1=(833)::585=(3020)®

This is traditionally important for falcon owners traveling between certain regions

☎️{+1-833-585-3020} 📞@+1=(833)::585=(3020)®

Restrictions apply to the number per flight and handling procedures ☎️{+1-833-585-3020}
