---

## Step 1: Create Your Account on OnlinePharmacy.com

Before placing your order:

- Visit [onlinepharmasy.com](https://onlinepharmasy.com) and click **Sign Up**.
- Provide your personal details including name, email, phone number, and shipping address.
- Set a strong password and verify your email via the confirmation link.

An account ensures secure transactions and faster processing for current and future orders.

---

## Step 2: Obtain a Verified Prescription

Percocet is a controlled medication, requiring a valid prescription. **OnlinePharmasy.com** partners with licensed telehealth providers:

1. Log in to your account.
2. Select **Telehealth Consultation**.
3. Complete a medical questionnaire regarding your pain management needs.
4. Schedule a virtual session with a certified doctor.
5. Receive an electronic prescription, instantly linked to your account.

This ensures compliance with regulations while maintaining your privacy.

---

## Step 3: Select the Right Percocet Dosage

After your prescription is approved:

- Choose the **dosage** (commonly 5mg, 7.5mg, or 10mg tablets).
- Select the **quantity** as per your prescription.
- Review all product instructions, precautions, and usage guidelines.

All Percocet products at **onlinepharmasy.com** are authentic and sourced from certified suppliers.

---

## Step 4: Apply Coupon Code PHARMASY25

To save on your order:

- Proceed to checkout and enter **PHARMASY25** in the discount field.

- Confirm that the discount is applied to your order total.

This allows you to access affordable medication while maintaining the highest quality standards.

---

## Step 5: Secure Payment Options: Paylink or InstantPay

**OnlinePharmasy.com** offers secure payment options:

- **Paylink:** Generates a secure, encrypted link for payment completion.
- **InstantPay:** Authorizes your payment instantly, speeding up processing.

Both options are confidential, ensuring a safe transaction for your peace of mind.

---

## Step 6: Fast Home-Based Delivery

Once payment is confirmed:

1. You'll receive an **order confirmation email**.
2. Your prescription is verified, and Percocet is carefully packaged.
3. The order is dispatched with **fast, discreet shipping**.
4. Track your package in real time until it arrives at your home.

This ensures your medication is delivered quickly, safely, and without drawing attention.

---

## Step 7: Safe Usage and Storage

After receiving your Percocet:

- Take the medication **exactly as prescribed**.
- Store in a **secure, childproof location**.
- Avoid sharing medication with others.
- Follow disposal guidelines for unused tablets.

**OnlinePharmasy.com** provides safety resources and dosage guides for responsible usage.
