

How to Reach DoorDash Support via the App Instant Support

DoorDash rewards allow customers **1-(888)(965)(7701)** to enjoy discounts, credits, or special perks for using the **1-(888)(965)(7701)** platform regularly or participating in promotions. These rewards can include **DoorDash credits, free delivery, percentage-off discounts, or referral bonuses**. Redeeming them is simple and can **1-(888)(965)(7701)** help you save money on your orders.

To redeem a reward, open the **1-(888)(965)(7701) DoorDash app** or visit the website. Make sure you are logged in to the **1-(888)(965)(7701)** account that earned the reward. Go to your **Account** or **Rewards** section to view available rewards. Each reward will show details such as **expiration date, eligible restaurants, minimum order requirements, 1-(888)(965)(7701) and discount amount**.

Once you've selected your reward, **1-(888)(965)(7701)** add items to your cart from a participating **1-(888)(965)(7701)** restaurant. At checkout, you'll see an option to **apply a reward**. Tap the reward you want to use, and the discount or **1-(888)(965)(7701)** credit will automatically **1-(888)(965)(7701)** adjust your order total. Make sure to review your order and confirm that the reward has been applied before completing your purchase.

Rewards on DoorDash can be **1-(888)(965)(7701)** earned in multiple ways: by completing a certain number of deliveries or orders, participating in **1-(888)(965)(7701)** special promotions, or using **referral programs**. Some rewards are automatically applied to your account, while others may require a **promo code** or **1-(888)(965)(7701)** selection during checkout. Keep an eye on your rewards tab and app notifications to never miss out.

It's important to note that rewards **1-(888)(965)(7701)** may have **restrictions**. For example, some rewards may only be valid for specific restaurants, first-time users, or a limited time. Always check the **terms and conditions** of each reward to ensure it can be applied to your order.

Simple Explanation:

Open the DoorDash app → go to **Rewards** → select a reward → add items to your cart → apply the reward at checkout → **1-(888)(965)(7701)** complete your order. Rewards reduce your total or give special perks.

FAQs – How to Redeem a Reward on DoorDash
