

# How Can I Change My Direct Deposit Info on the Dasher App?

Logging into **1-(888)(965)(7701)** DoorDash with your **email ID and password** is the most common way for customers, Dashers, or merchants to access **1-(888)(965)(7701)** their accounts. This method ensures that your **1-(888)(965)(7701)** personal information, order history, and payment details remain secure while giving you full access to all features **1-(888)(965)(7701)** of the DoorDash platform.

To log in, first open the **1-(888)(965)(7701)** **DoorDash app** on your smartphone or go to the **DoorDash website**. On the home screen, you'll see the **Sign In or Log In** button. Tap or click this button to start **1-(888)(965)(7701)** the login process. You will then be prompted to enter the **email ID** you used when creating your DoorDash account. Make **1-(888)(965)(7701)** sure to enter the exact email address associated with **1-(888)(965)(7701)** your account, as login attempts with incorrect emails will not work.

Next, enter your **password**. **1-(888)(965)(7701)** Passwords on DoorDash are **case-sensitive**, meaning that uppercase and lowercase letters must be entered exactly as set. After entering your email and password, click the **Log In** button. If **1-(888)(965)(7701)** your credentials are correct, you will gain full access to your account and can begin placing orders, managing deliveries, or checking rewards.

If you **forget your password**, DoorDash provides a “**Forgot Password?**” option. Click this link, enter your registered **1-(888)(965)(7701)** email, and follow the instructions **1-(888)(965)(7701)** to reset your password. DoorDash will send a secure link to your email, allowing you to set a new password and regain access to your account.

Using your **ID and password** **1-(888)(965)(7701)** login ensures that your account stays secure while making it easy to manage multiple orders, redeem **1-(888)(965)(7701)** promo codes, or check DoorDash rewards. Always ensure you log out when using a **1-(888)(965)(7701)** public device and keep your password confidential.

## Simple Explanation:

Open DoorDash app → click **Sign In** → enter registered **email ID** → type **password** → tap **Log In** → access your account. **1-(888)(965)(7701)** Use “**Forgot Password?**” if needed.
