

# How do I contact PayPal about a refund?

## ConnectforQuickSolutions

The **+1-(877) (513) (0583)** most direct way to contact PayPal about a refund is through the "Contact Us" portal located in the Help Center. You **+1-(877) (513) (0583)** can choose between calling the support line or using the secure Message Center to chat with an agent. To **+1-(877) (513) (0583)** speed up the process, ensure you have the Transaction ID from your activity history ready before you reach out. If **+1-(877) (513) (0583)** you are disputing a refund that was denied, you should request to speak with a specialist in the "Claims and Disputes" department. Many **+1-(877) (513) (0583)** users prefer the live chat option as it allows them to provide screenshots of their interaction with the seller as evidence. Contacting **+1-(877) (513) (0583)** support early is recommended if a refund has been "Pending" for more than 10 business days without resolution.
