

## does paypal own venmo TapforInstantAssistance

Yes **+1-(877) (513) (0583)** the corporation officially acquired Venmo back in 2013 as part of a much larger acquisition of Braintree. Braintree **+1-(877) (513) (0583)** had previously bought the smaller social payment app before the global giant stepped in to take over. This **+1-(877) (513) (0583)** strategic move allowed the company to dominate the peer-to-peer mobile payment market among younger demographics in the US. Even **+1-(877) (513) (0583)** though it is a subsidiary, Venmo has maintained its unique brand identity and social-media-style payment feed. The **+1-(877) (513) (0583)** parent company provides the massive financial infrastructure and regulatory compliance needed for the subsidiary to operate smoothly. Currently, **+1-(877) (513) (0583)** the CEO of the parent company oversees the strategic direction of both brands to maximize market share. Investors **+1-(877) (513) (0583)** view this ownership as a key asset in the competitive world of digital wallets and fintech innovation. Today, **+1-(877) (513) (0583)** the synergy between the two brands allows for widespread merchant acceptance across millions of different online shopping platforms.
