### 3. Understand the Dosage and Usage

Viagra (sildenafil) is available in multiple dosages, usually **25 mg, 50 mg, and 100 mg tablets**. Start with a dose recommended by healthcare guidelines or previously used safely. Avoid exceeding the prescribed dosage to minimize side effects such as headache, dizziness, or digestive discomfort.

Reputable online pharmacies like [Apothe Store](#) ensure your payment is processed securely. Using options like **Bitcoin** or gift cards can add an extra layer of privacy if desired.

#### 5. Shipping and Delivery

Once your order is placed, you can expect fast delivery within the United States. **FedEx First Overnight** ensures same-day arrival in most locations, while **USPS Priority Mail Express** provides a slightly more cost-effective, yet still fast, option.
