## What is Fioricet?

Fioricet is a combination medication primarily prescribed for:

- Tension headaches
- Migraine relief
- Chronic headaches caused by stress

It contains three active ingredients:

1. **Acetaminophen** – a pain reliever that helps reduce headache discomfort.
2. **Butalbital** – a barbiturate that relaxes muscle tension and eases headache symptoms.
3. **Caffeine** – enhances the effects of acetaminophen and butalbital, improving absorption and efficacy.

This combination makes Fioricet a highly effective solution for those suffering from recurring headaches or migraines.
